# CHANGE IS NOT A BAD WORD

Message from Our  
Pastor

Change is not easy. In fact, it seems to get harder the older we become. For instance, it's difficult changing jobs, moving to a new home, setting our alarm to an earlier wake-up time, changing the way we exercise, and changing our daily routine. Most people don't like change- in fact, they avoid it. Change takes some time to get used to it. However, many times after the change, we rejoice in the change we made and wonder why we didn't make it sooner.

Today Jesus asks us, "Where is your heart?" This weekend's Gospel leaves no doubt about the radical change of heart Jesus calls for in his followers. Jesus calls us to do more than simply obey the laws of Christ and His Church. Rather Jesus calls us to continual conversion, to constant change- to seek Him anew with all our heart. We need only start with a desire to change and then with God's grace and help it becomes much easier than we think. What is it that we know we need to change in our hearts or lives? What is blocking us from greater intimacy with our Lord and Savior? There is no better time to contemplate change, as we will soon enter the season of Lent- the season for change and conversion.

Let us choose to make a vital change this Lent, one we know that will benefit and make stronger our relationship with Christ. Then with Jesus we will rise to new life and joy on Easter.

God Loves you,

*Fr. Dunn*

## SIXTH SUNDAY IN ORDINARY TIME

If you choose you can keep the commandments, they will save you; if you trust in God you too shall live... Before you are life and death, good and evil, whichever he chooses shall be given him, immense is the wisdom of the Lord, he is mighty in power and all seeing. The eyes of the Lord are on those who fear him, he understands man's every deed.

How many choices we make every day. Many times, we are not even aware of choosing one thing over another. We decide, period. But there are things of value and great importance which require thought and careful consideration. How do I know the difference?

There are life giving decisions, important family matters, the common good or well-being of others, which tell us, slow down, what are the consequences before you make a rash move. The author tells us to make right and deliberate choices. The phrase 'what would Jesus do?' is a point well taken, or as Sirach state 'if you trust in God, you too shall live.' 'Jesus I trust in you.'

*Trust in the Lord with all your Heart*
